Aaron,

Thank you for your response. A pdf would be fine.

Rich:

I'm out of the office until Monday. Not sure if I have the final Order in my files.....the one w/ the signatures. Do you? Or, perhaps, does the clerk? If not, I can check Monday am and forward a copy to Elizabeth.

Elizabeth:

Do you need a hard copy, or should I send it as a PDF....or both? Aaron

Good morning!

Do either of you have a copy of this final order that you could send? This \$43,000 is still in our suspense account and I really need to get the receivable set up and processed.

Danielle,

Could you possibly send me a copy of the order for UIC-09-2007-0002? We have \$43,000 in suspense for this company and the program contact/attorney are currently on vacation.

Thanks,
